## **ASSEMBLY BILL**

**No. 45**

---

**Introduced by Assembly Member Hill**

*(Coauthors: Senators Alquist and Lieu)*

December 6, 2010

---

An act to amend Section 5384.5 of, to add Section 5355.5 to, and to repeal and add Section 5384.1 of, the Public Utilities Code, and to amend Section 23229.1 of, and to add Section 40000.20 to, the Vehicle Code, relating to charter-party carriers of passengers.

### LEGISLATIVE COUNSEL'S DIGEST

AB 45, as amended, Hill. Charter-party carriers of passengers: alcoholic beverages: open containers.

The Passenger Charter-party Carriers' Act, with certain exceptions, prohibits a charter-party carrier of passengers from engaging in transportation services subject to regulation by the Public Utilities Commission without obtaining a specified certificate or permit, as appropriate, from the commission. The act, except as specified, requires

the driver of any limousine for hire operated by a charter-party carrier of passengers (carrier) under a valid certificate or permit to comply with prescribed requirements relating to alcoholic beverages, including ascertaining whether any passenger is under the age of 21 years, reading to the passenger a statement that the consumption of any alcoholic beverage in the vehicle is unlawful, requiring such a passenger to sign the statement, and, if a minor passenger, after signing the statement, is found to be, or to have been, consuming any alcoholic beverage during the course of the ride, immediately terminating the contract of hire and returning the passenger to the point of origin. The act also subjects the carrier to specified civil penalties, based on the number of offenses, for conviction of a driver, or any officer, director, agent, or employee of the carrier, of a violation of the Vehicle Code that prohibits storage of an opened container of an alcoholic beverage in a motor vehicle.

This bill would repeal the above-described provisions concerning the responsibilities of a driver of a limousine for hire operated by a carrier relating to the consumption of alcoholic beverages by passengers under 21 years of age. The bill would instead require ~~that a~~ *the charter-party carrier of passengers to ask the* chartering party, as defined, *to disclose at the time transportation service is prearranged or the contract of carriage is made and, upon being asked, would require the chartering party to disclose* (1) if alcoholic beverages will be served by the chartering party, as defined, or be transported in the passenger compartment of the vehicle during transportation and (2) if any member of the party to be provided with transportation services will be under 21 years of age. The bill would require the charting party to designate a designee, as defined, and would impose different requirements for a designee of the chartering party and the driver of the vehicle depending upon the presence of specified circumstances. The bill would make the designee or, when present, the parent or legal guardian legally responsible for any reasonably foreseeable personal injury or property damage that is proximately caused by a violation of laws prohibiting the consumption of alcoholic beverages by a person under 21 years of age when alcoholic beverages are consumed during the provision of transportation services under certain circumstances. ~~The bill would specify penalties for the failure to comply with certain requirements and would, among other things, subject the driver providing transportation services on behalf of a licensed carrier to existing open container prohibitions and make a 3rd or subsequent violation of specified criminal provisions, a misdemeanor. The bill would make~~

*failure to comply with certain of its requirements a misdemeanor and would make any violation of its requirements by a charter-party carrier of passengers or its driver subject to civil penalties imposed by the commission. The bill, by creating a new crime, would impose a state-mandated local program.*

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. This act shall be known and may be cited as the
- 2 Brett Studebaker Law.
- 3 SEC. 2. Section 5355.5 is added to the Public Utilities Code,
- 4 to read:
- 5 5355.5. (a) "Chartering party" means the person, corporation,
- 6 or other entity that prearranges with a charter-party carrier of
- 7 passengers for transportation services.
- 8 (b) "Designee" means a person who is 25 years of age or older
- 9 and who is designated by the chartering party as being the person
- 10 responsible for compliance with the requirements of Section 5384.1
- 11 during the provision of transportation services whenever persons
- 12 under 21 years of age are to be transported unaccompanied by a
- 13 parent or legal guardian. If the chartering party is a person and the
- 14 minor is not accompanied by a parent or legal guardian, the
- 15 chartering party shall be the designee unless the chartering party
- 16 identifies another person to be the designee and the person so
- 17 designated acknowledges and agrees that he or she is the designee.
- 18 If there is more than one chartering party for a joint carriage of
- 19 passengers, each chartering party shall designate a designee who
- 20 is responsible for compliance with the requirements of Section
- 21 5384.1 whenever persons under 21 years of age are to be
- 22 transported unaccompanied by a parent or legal guardian, and that
- 23 person shall be the designee only for those passengers provided
- 24 with transportation services on behalf of that chartering party.
- 25 SEC. 3. Section 5384.1 of the Public Utilities Code is repealed.

The driver shall not commence transport until the designee has verified with the driver that the designee has checked the identifications of all passengers and has read the statement. If passengers are picked up at more than one location, the driver shall not commence transport from the subsequent location until the designee has verified with the driver that the designee has checked the identifications of all passengers boarding the vehicle at that location and has read the statement to all passengers boarding the vehicle at that location.*
